LOOK at all the pretty STARS!
And you can see the milky way WOW!
What do you think that is? Shooting star? A meteor?
NO I don't think so Let me consult...
Did you bring a book about stars? LOL
Well... yes
I swear I only brought this other book!
Hmm
OOHHH maybe it's a UFO!
Don't joke about that!! I've ALWAYS wanted to see a UFO!
HOW TO IDENTIFY THE STARS
